Masquerade's Summer School in the Performing Arts is back and this year, it promises to be yet another one to remember!

Our SUMMER 2019 programme offers an exciting two months of theatre fun at M Space - A Hub for Creative Exchange, centrally situated in Msida. Children and youngsters can choose from 1-day to 5-day morning programmes running over 7 weeks, with a two-week break in August. Students will be split up into groups according to age/experience. All sessions are designed to be great fun and creatively rewarding and will be conducted by qualified tutors/leaders with industry experience.

Students can also opt to attend one-to-one classes in various disciplines from vocals, acting, piano, drums to guitar. Our dance-loving students can opt for the one-day dance option where they can get a taste of different dance styles.

So, if you want your child's summer to be jam-packed with exciting and interesting workshops, creativity, performance, and lots of fun, then look no further! Places are limited to ensure that students get the most out of this experience.

Besides sessions in acting/drama, dance and singing, the JUNIOR & TEEN Clubs will also give participants the opportunity to explore different skills throughout the first five weeks of the programme, keeping their experience fresh and challenging each week. We do our best to give our students a taste of everything that is needed for a holistic theatre experience. With the focus changing every week, we hope students will remain motivated and enthusiastic about the arts!

The culmination of the 3-day/5-day programme will be a final showcase to be held at Masquerade's own theatre space, Blue Box, on Thursday 29th August at 11.00am, to which family and friends will be invited.

The 5-day programme will run alongside the 3-day one, with additional master classes and special workshops in the creative arts. These activities will take place on Mondays and Fridays. There will also be the option of one or two cultural outings, all included in the fee.

Our dance-loving students can opt for the DANCE CLUB taking place on Monday or Friday. This will consist of various different dance styles such as hip hop, tap, jazz and contemporary. Students will get the chance to try out all the different styles and find out which they love most!

Parents/guardians interested in sending their children to Masquerade this summer are requested to fill in the application form on the next page and return it to Masquerade together with the full fee. A cancellation fee of €35.00 will be charged to applications withdrawn before Saturday 8th June. No refunds will be made after this date.

New students will receive one voucher for free registration worth €25.00 to the winter school at Masquerade.

Masquerade Summer School is a registered summer school. This entitles parents/guardians who pay tax in Malta a tax rebate of up to €2000 for children 12 years and under.
