

# MASQUERADE

SCHOOL FOR THE PERFORMING ARTS

# SUMMER SCHOOL

5 JULY TO  
10 SEPTEMBER  
2021

3 - 7 YEARS

## TOTS CLUB 4-6 YEARS

Our summer TOTS Club will give your child the opportunity to have fun through the arts, whilst learning new skills. By focusing on a different skill each week, we aim to enhance their collaborative skills through storytelling, puppetry, circus skills, percussion, hip hop, face-painting, props making, arts and crafts and basic drama, singing and movement classes. In short, the programme will be varied to ensure that our young participants enjoy their time with us!

Sessions are designed to be great fun and creatively rewarding, simultaneously boosting their confidence and social skills. The morning programme is open to children aged 4 to 6 years, and parents can opt to send their children one day, two days, three days to five days per week. Students must be 4 years old at the start of the sessions to register.

The 5-day programme will run alongside the 3-day one with special sessions dedicated to creating a storybook, a magazine, a music video, puppets and others. These activities will take place on Mondays and Fridays.

The culmination of the Tots Club (3-day/5-day options) will be a final showcase to be held at Masquerade's own theatre space, Blue Box, on Thursday 9th September at 11.30am. Rehearsals and all preparations for this show will take place during the second half of the programme.

## SUMMER TERM 3-7 YEARS

### DRAMA CLASSES

For those parents who wish to introduce their children to drama this summer, we are offering classes that will take place in the afternoons. These sessions are designed to introduce young students to the magical world of drama, with hints of movement, dance and song too. The focus is to help young students interact with each other, build confidence, self-esteem and communication skills. All this is achieved through drama activities, creative movement, storytelling, arts & crafts and song. Classes have been specifically created and adapted for this age group, with an emphasis on enjoyment and fun for the young students, all in a supportive and fun environment.

### INTRODUCTION TO MUSIC

This class is a great first step for a child to take into the world of music. It will introduce students to both the theoretical and practical side of music. Students will learn how to play rhythmic music, use their bodies as instruments, and play basic percussion instruments. Furthermore, students will also be introduced to different genres of music and learn the difference between one genre and another. They will learn how to use their voices as we sing fun songs tailored to their age range while at the same time incorporating body movements.

### DANCE: BALLET

These classes aim to introduce young students to their very first ballet steps through creative movement. At this early stage they learn the very basic technique, principles and also some discipline is involved. Students attend classes once a week.

### DANCE: HIP HOP

Suitable for beginners and children with limited dance experience. Students will cover the basics of hip hop technique with an emphasis on having fun. Students attend classes once a week.

All the above sessions will be conducted by qualified tutors/leaders with industry experience. Classes are kept small to ensure individual attention. Parents/guardians interested in sending their children to Masquerade this summer are requested to fill in the application form on the next page and return it by not later than Saturday 5th June, 2020. Parents are requested to include the full fee with this form. No refunds will be given except in the case of force majeure.

The Health & Safety of your children and our staff is our top priority. We will therefore take all the necessary precautions and hygiene measures to ensure a safe and comfortable environment that meets all requirements stipulated by the Health authorities. Once you register, you will receive our COVID-19 guidelines which we ask you to follow.

New students will receive one voucher for free registration worth €25.00 to the winter school at Masquerade.

Masquerade is a registered summer school. This entitles parents/guardians who pay tax in Malta to a tax rebate of up to €2000 for children 12 years and under.
