

MASQUERADE

SCHOOL FOR THE PERFORMING ARTS

SUMMER SCHOOL

3 JULY TO 7 SEPTEMBER 2023

3 - 6 YEARS

TOTS CLUB 3-6 YEARS (MORNINGS)

Our summer TOTS Club will give your child the opportunity to have fun through the arts, whilst learning new skills. By focusing on a different skill each week, we aim to enhance their collaborative skills through story-telling, puppetry, circus skills, percussion, hip hop, face-painting, props making, arts and crafts as well as drama, singing and movement classes. Sessions are designed to be great fun and creatively rewarding, simultaneously boosting their confidence and social skills. The programme is created in a way that is varied to ensure that there is something in there for each and every one of our young ones and they enjoy their time with us!

This morning programme is open to children aged 3 to 6 years, and parents can opt to send their children one day, two days, three days or five days per week. Students must be 3 years old at the start of the sessions to register.

The 5-day programme will run alongside the 3-day one with special sessions, on Mondays and Fridays, dedicated to creative activities such as creating a storybook, a magazine, a music video, puppets and others.

The culmination of the Tots Club Summer School Programme (3-day/5-day options) will be a final showcase to be held at Masquerade's own theatre space, Blue Box, on Wednesday 6th September. Rehearsals and all preparations for this show will take place during the second half of the programme.

SUMMER TERM 3-6 YEARS (AFTERNOONS) DRAMA CLASSES

For those parents who wish their children to take drama this summer, we are offering classes that will take place in the afternoons, similar to the programme that would run during our scholastic year. These sessions are designed to show young students the magical world of drama, with elements of movement, dance and song too. The focus is to encourage young students

to collaborate and work with each other, build their confidence, self-esteem, and communication skills. Classes have been specifically created and adapted for this age group, with an emphasis on enjoyment and fun for the young students, all in a supportive and fun environment.

INTRODUCTION TO MUSIC

This class is a great first step for a child to take into the world of music. It will introduce students to both the theoretical and practical side of music. Students will learn how to play rhythmic music, use their bodies as instruments, and play basic percussion instruments. Furthermore, students will also be introduced to different genres of music and learn the difference between one genre and another. They will learn how to use their voices and bodies as they sing and move to fun songs tailored to their age.

DANCE: HIP HOP & JAZZ

These classes are suitable for beginners and children with limited dance experience. Students will cover the basics of hip hop and jazz dance technique with an emphasis on having fun.

All the above sessions will be conducted by qualified tutors/leaders with industry experience. Classes are kept small to ensure individual attention. Parents/guardians interested in sending their children to Masquerade this summer are requested to fill in the application form on the next page and return it together with the full fee. A cancellation fee of €35.00 will be charged to applications withdrawn before Saturday 3rd June 2023. No refunds will be given except in the case of force majeure.

New students will receive one voucher for free registration worth €25.00 to the winter school at Masquerade.

Masquerade is a registered summer school. This entitles parents/guardians who pay tax in Malta to a tax rebate of up to €2000 for children 12 years and under.
