Our private tuition in Acting, Speech, Drama and Musical Theatre provides you with the opportunity to work with a tutor on a one-to-one basis. The individual attention is a great advantage and will surely help you improve your skills. Sessions are geared and tailored to meet the individual needs of the student. These sessions offer a focused and detailed approach for individuals wishing to take their acting and speech to another level. They are excellent in preparation for Trinity College London examinations leading up to Diploma Level ATCL/LTCL; in preparation for auditions, for adults who wish to accelerate their learning of acting and drama and also for adults who wish to develop their public speaking skills and overall confidence.

DANCE

The school offers individual tuition in dance to students in preparation for Dance/Musical Theatre examinations, auditions, or for adults who wish to accelerate their dance technique.

SINGING

Our one-to-one singing lessons are designed to meet the individual needs of the student. Complete beginners learn basic vocal technique and how to approach song interpretation, whilst more experienced singers can work to improve their technique and expand their repertoire. Students can opt to take Trinity College London Examinations leading up to Diploma Level which are fully accredited by the MQC. These students will also be given aural training and work on their sight reading/musical knowledge.

Students for individual singing lessons will be assessed before acceptance.

Different styles of tuition are offered from Musical Theatre to Rock & Pop as well as Classical.

Students will be assigned to a tutor to suit their style based on the initial assessment.
